

# Social Media & Website Posting Release Form

Dear Parents,

The following is a request for posting your child's photo, first and last name on our Social Media Outlets.

We support our youth programs and hope that by using social media in a family oriented and fun way we can better assist the 4H and FFA programs in connecting youth and teachers to great cattle industry events.

We hope to reach out to our community is by placing pictures and possibly even videos of some of the activities we conduct here at Smith Farms, cattle shows, sale or auction events, as well as fairs and industry related events on our Facebook page and/or website. In order to do this, we need your assistance.

Most of the pictures we post on our Facebook page are of group activities, such as Champion pictures, cattle showing activities, cattle events, and other moments where youth are showing their animals and having fun.

We would love to showcase our winners in these pictures, but we need written permission from you, the parent or legal guardian, in order to show their faces on our Facebook or webpage.
